

FLOYD'S CREEK BAPTIST CHURCH

2004 Chase High Rd. Forest City, NC 28043
(828) 245-1059

Dear FCBC Family,

I hope this letter finds you and your family healthy and well. We have been praying for you and will continue to do so. Please let us know if we can be of help to you in any way.

It has been a challenging time for all of us as we have each been trying to navigate the ever-changing landscape of COVID-19. We certainly understand this looks different for different people depending on their particular circumstances.

In consideration of these things we have put many hours of discussion, thought and prayer into developing a long-term strategy that would offer our church family multiple options for in-house worship services that provide CDC approved recommendations. Our prayer, goal and desire is for everyone to be able to remain safe and healthy.

Therefore, we will be moving to a multiple service in-house offering on July 19th along with continuing the 11 am livestream option. The in-house services are outlined in the table below. Please contact us if you have any questions.

Thank you for the prayers, support, space and grace as we move through this season together.
