

FLOYD'S CREEK BAPTIST CHURCH

2004 Chase High Rd. Forest City, NC 28043
(828) 245-1059

Dear Church Family,

As you are aware we experienced a COVID exposure during a youth event on Wednesday September 23rd of which we were notified on Saturday September 26. Please pray for those who are recovering and for those who had exposure. To our knowledge no one else has had symptoms or tested positive. Once notified all individuals who were in our FLC that evening were contacted and we took immediate action suspending our in-house services and meetings until we could contact the Health Department to get their recommendations and guidelines.

The recommended protocol they requested we follow is:

1. Delay in-house services/meetings for 14 days (due to the window of time that symptoms generally present after exposure. Symptoms are rare after 14 days)
2. For anyone who has tested positive or presents symptoms to wait at least 10 days from their last symptom before returning to activities
3. Sanitize the area of exposure

In evaluating these recommendations, and in light of all that we are currently doing, along with how others churches have responded, the deacons and I agree that the best course of action is to follow the Health Departments recommendations. We thank you for your understanding, prayers and support during this difficult time as we try to make the best decisions possible for our church and community.

Therefore, we will livestream only Sunday October 4th at 11 am and 6 pm as we begin the Revelation series and study. We should be back to our regular schedule for in-house worship and study October 11th.

Our deacon nomination will be pushed out one week to Sunday October 11th. If you prefer you may contact the church office to submit your nominations before the 11th.

We are always available for you, so if we can help you in any way please let us know. Please stay safe and well.

In Christ,
Pastor Robert

*And let the peace of Christ rule in your hearts, to which indeed you were called in one body.
And be thankful.*
